PPSEL Grievance Policy

PPSEL is interested in achieving and fostering both employee and student/family satisfaction. The following procedures were developed to ensure that the employee and student/family grievances are addressed fairly by the appropriate persons in a timely manner. PPSEL prohibits discrimination against its employees and against its employees and students/families on the basis of disability, race, creed, color, gender, national origin, religion or ancestry.

1. Initiate and have a conversation with the person involved.
2. After attempting to resolve the issue with the person, if further resolution work is needed, contact the Principal to arrange a meeting and proceed further.
3. After having worked with that person and the Principal, and additional counsel is needed, a meeting can be arranged with the Board of Directors. If the individual involved is the Principal, seek the assistance of the Board President.
