

**PPSEL ANNUAL OFF-CAMPUS ACTIVITY PERMISSION SLIP**

Dear Parent/Guardian:

While attending Pikes Peak School for Expeditionary Learning (PPSEL) your child has the opportunity to participate in a number of off-campus field trips and activities (“Activities). Transportation is typically provided to and from the activities by volunteer parents in their privately owned vehicles OR students walking to the activity under the supervision of adults. Each parent volunteering to drive students is required to submit to a background check, driving record check, and must provide a copy of his or her driver’s license and proof of insurance. PPSEL’s insurance does not cover privately owned vehicles. Health and safety of students is a priority, therefore reasonable efforts will be made to screen parent volunteers and also to supervise your child during these Activities. Your child will be expected to act responsibly, and you and your child assume all risk associated with participation in these Activities. By granting permission for your child to participate in these Activities you agree to release PPSEL for any and all liability related to your child’s participation in and transportation to the activity. Your permission is required before your child will be allowed to participate in the Activities.

Please complete the lower section of this form and return this to school.

Thank you,

PPSEL Administration
