Music lesson: 1st-4th grade

Learning Target: I can interview a family member about their music experiences

(If needed, student may write out their responses on lined notebook paper or type it on a computer. Parents may help students write their response if needed)

April 1st-3rd (Lesson #1)

Interview a family member in your house or call someone you don't talk to often about music. Write about your conversation.

Some questions to ask:

- Did you play an instrument?
- How did you listen to music when you were a kid?
- Did you have music in school? Do you remember what kind of songs you sang?
- Did you play games? Did you dance or play instruments? Did you like music class? Why or why not?

Music lesson: 1st-4th grade

Learning Target: I can research a musical instrument and demonstrate what I learned.

(If needed, student may write out their responses on lined notebook paper or type it on a computer. Parents may help students write their response if needed)

April 1st-3rd (Lesson #2)

Look up an instrument from your heritage or that you are interested in. Write about it and draw a picture.
